SCENES OF LITTLE STATE MEET  
TO BE SHOWN AT THE  
GRANADA.

Charles C. Fetty, who is directing  
the producing the Banner movie, "A  
Day in Hollywood," will take pictur-  
es of the Little State Track meet to  
be held on Blackstock Field here to-  
morrow afternoon. Mr. Fetty will be  
assisted by Herman Stermer, his  
camera man. These pictures will be  
shown at the Granada Theater next  
week and should prove very interest-  
ing to all local sport fans.

Coach L. C. Buchelt stated Thurs-  
day that he would be glad to have  
Mr. Fetty take motion pictures of the  
big meet as it may take a movie film  
to decide just who finishes first in  
the 100 yard dash. There will be  
large number of athletes to partici-  
pate and the fact that Mr. Fetty will  
take pictures of the meet should at-  
tract a record crowd Saturday after-  
noon at the DePauw athletic field.

## APPEAL TO LEAGUE MADE BY CHINESE

NATIONALISTS ASK THAT JAPS  
BE RESTRAINED FROM THE  
SHANTUNG PROVINCE.

GENEVA, May 11 (UP)—The  
Chinese Nationalist Government to-  
day appealed to the League of Na-  
tions against Japanese intervention  
in Shantung Province.

The Nationalist Government's ap-  
peal was made under paragraph 20,  
article 11, of the League Covenant,  
on the ground that the Shantung  
situation was one threatening to dis-  
turb international relations.

TSINGTAO, China, May 11. (UP)  
—Tsinan has fallen before the vigor-  
ous drive of the Japanese expedi-  
tionary forces and the Chinese Na-  
tionalist army has evacuated, it was  
learned here today.

Vigorous fighting preceded the  
route of General Chiang Kai Shek's re-  
maining forces, estimated at about  
2,000.

The remnants of the southern army  
for hours bitterly resisted the Japa-  
nese approach and had signaled they  
would not surrender even though the  
Japanese planes whirled overhead  
and the Japanese gunners laid down  
a steady barrage on the walled city.

WILL OBSERVE DAY  
The Presbyterian church will ob-  
serve Mothers' Day with message and  
music appropriate to the occasion. In  
the evening at 7:30 Prof. G. O. Arlt  
and the quartet will present a pro-  
gram of organ and vocal numbers  
centering around the theme "Great  
Women of the Bible," using music  
from the oratorios and cantatas of  
Esther, Mary, Ruth and others. At  
the morning service at 10:40 the pas-  
tor will speak on the subject "In the  
Place of Honor."

## FOR-GET-ME-NOT DAY When you invest your money in a For-get-me-not tomorrow, it will be money well spent, for its helps not only the disabled veterans but also the local V. F. W. post and also the Health Girls' club. This club is com- posed of young girls under the lead- ership of the County Nurse, who need funds with which to work. The Vet- erans of Foreign Wars here is a young post, not yet a year old and with its treasury at its wit's end. Money obtained by this drive will be used for local and not foreign and distant use. Our motto is to help the vet- erans in our locality first if need be, and let other places do likewise. Re- member the Health Club and V. F. W. will be grateful for any donations and promise to put the money receiv- ed in this drive to good and useful use.

here, one from William F. Hester and  
the other from Cushman J. Hoke.  
Both writers praised Robert's work  
and his ability as an actor as he has  
the leading role in the production.

The following is Hester's letter  
written in part:

"Raising Kane" a comedy just  
written by Frank Roberts, formerly  
of Greencastle, was successfully pre-  
sented last week at the best theatre  
of Somerville, a suburb of Boston.  
Roberts played the leading role.

We knew that the play would be  
good, but it was so much better than  
we expected a first play could be that  
we were all proud of Frank. The plot  
was unique, the lines clever made the  
development interesting. The whole  
cast played the parts so naturally it  
was apparent that the play portrayed  
life. We were particularly amused at  
numerous incidents that reminded us  
of Greencastle. We wished Miss Lela  
Walls and Prof. Harry Gough could  
have seen this work of their former  
pupil.

The theater was full and the audi-  
ence showed genuine pleasure and  
enthusiasm throughout the evening;  
the applause was so great that the  
successful playwright-actor was forced  
to respond with a short speech at  
the end of the second act.

Hoke's letter in part follows:  
I know that you and Greencastle  
people in general will be interested in  
learning of the tremendous success  
that Frank Roberts, former Green-  
castle boy, is meeting with as the  
popular leading man of the Somer-  
ville Stock Company players here at  
Somerville, Mass.

My wife and I have had the pleas-  
ure of seeing Frank work four times  
this season and each time the sponta-  
neous and hearty approval of the  
audience has been very much in evi-  
dence. However, the biggest thrill  
came last week when we witnessed  
Frank as the leading man in the first  
play that he had written called,  
"Raising Kane". The enthusiasm and  
sincere joy with this play was re-  
ceived great.

I really think that in Frank Rob-  
erts we have a second Gregory Kelly,  
William Hodge or even George Arliss.  
It is because of this and because I  
know that Greencastle will be proud  
of Frank as a really great artist, that  
I am writing you.

A clipping from the Boston Post  
and written by the dramatic critic of  
that paper praised Robert's work  
very highly and stated that Roberts  
has displayed much ingenuity and  
skill in developing the various situ-  
ations, making them forceful as  
well as natural.

## KILGORE TO EDIT D'PAUW PAPER IN '28-'29

Bernard Kilgore was elected editor-in-chief of The DePauw of 1928-29 at a meeting of the Board of Control of the student newspaper Thursday afternoon.

Selection of a business manager for next year was deferred by the Board until a later meeting.

The awarding of gold, silver and bronze matrices for commendable service on The DePauw was considered by the Board of Control but no definite action was taken pending the recommendations of Charles Robbins, editor.

Suggestions for the reorganization of the editorial staff were discussed at the meeting and it is probable that steps will be taken in the near future to revise the present organization and to name issue editors to serve as managing editors for one edition a week.

Kilgore has served on The DePauw staff for the past three years, serving the last year and a half as news editor. He has worked as copy editor and reporter.

Besides his work on The DePauw Kilgore is editor of The 1928 Mirage and a former exchange editor of The Yellow Crab.

Kilgore is president of Sigma Delta Chi and Delta Sigma Rho, a member of Scabbard and Blade and a pledge of Blue Key and Kappa Tau Kappa. He is a member of Phi Gamma Delta social fraternity and a junior in the University.

## MRS. JOHN DIETRICH HOSTESS TO SECTION III THURSDAY ALL-DAY

Delightful Dinner Served At Noon And Mother's Day Program Given In Afternoon.

Mrs. John Dietrich entertained the members of Section III of the Christian Church at her beautiful spacious home east of the city Thursday with an all day meeting. Twenty-three members of the section were present and one of the most delightful days in the history of the meetings was reported due to the splendid hospitality of Mrs. Dietrich and also to the weather, which made the day even more ideal.

At noon time the dinner which each member helped to supply was spread on a large table. Miss Lenora Alsbaugh, a guest, returned thanks. The chicken dinner with all delicious trimmings and also three large cakes was served buffet style.

The business meeting followed the dinner, with Mrs. Cora Louise O'Brien presiding in the absence of the president, Mrs. Clay Brothers. Mrs. Mark Rector read the scripture lesson, followed by a song, "Shall We Gather at the River?" Mrs. Milo West lead the group of ladies in prayer.

The program which followed was in keeping with the spirit of Mother's Day. Several readings were given among them "Mother's Party Dress" by Anna Rector. Mrs. Grace Pruitt gave an original poem, "My Treasure", and also Edgar Guest's "Home". At the close Miss Christine Dietrich gave a selection of humorous readings. The meeting adjourned to meet with Mrs. Ralph in June.

The poem by Mrs. Grace Pruitt was written on March 7, and is as follows: Among my many treasures

For which love will never cease,  
There are none of memories sweeter  
Than the quilt my mother pieced.

Put away for state occasions,  
When purchase a guest arrives,  
For to them I pay a tribute

With my treasure I so prize.  
For I see my dear old mother  
Sitting in her rocking chair,

Measuring, cutting, sewing slowly,  
Working with the utmost care.  
For now age has crept upon her,

Life of youth in toil she spent,  
Giving all, receiving nothing;  
Now her form with care is bent.

To each child she leaves a token  
Of her love and sympathy.  
For a cherished piece of handwork;

Calling back sweet memories,  
Giving time and meditation  
To the pattern she shall piece

For to her there is no hurry,  
Now she has much time, at least.  
After much deliberation

She selects the Irish chain  
Linking all dear hearts together  
That in love they may remain.

If one chain can bind them closely  
Two will make it more secure.  
She the double chain selected

Showing love which did endure.  
She must choose the fastest colors  
For not one of them must fade.

In each block she leaves a story  
Of some sacrifice she'd made.  
For to me my precious mother,

Bearing pain and wrinkled hands  
Gave me love, the richest blessing,  
Human hearts can understand.

Patient, tender, gentle mother  
Left to me this treasure dear.  
Every stitch reveals a message

Keeping mother ever near.

National Hospital Day was originated in the United States but the movement has grown so that it is now observed in Canada, Alaska, Australia, New Zealand, Hawaii, Egypt, the Philippines, China and other countries. It is expected that the observance will soon be world-wide.

The object of National Hospital Day is to afford the public an opportunity to visit the hospital to gain first hand knowledge of the facilities and activities, the aims and ideals and the problems and needs of the institution which is serving the community. It is confidently believed

"Say, you," he shrilled, "want to kill us all? How am I to shoot these things if I leave waste in the breach? I think you do it purposely."

Dick cowered away. It was last effort. He had thought the dirty waste might go unnoticed and when the gun commenced ~~was jam in the mechanism.~~ He expected the worst, and as Bull turned around behind him he felt stomach sink as if into his boots. Momentarily he expected to the burning stab that would maul a bullet in his heart or brain.

Hospital Day is sponsored by the American Hospital Association and it has the unequalled support of governmental officials and public spirited citizens. President Coolidge has said, "The observance of May 12th as National Hospital Day throughout the country, with the aim of directing public attention to the fine humanitarian effort of these institutions of mercy, is deserving of all co-operation and support."

Since the hospital was opened five years ago next August, 126 babies have been born at the hospital and each year on Hospital Day, a picture of as many as can be gotten together is a feature of the afternoon. The picture tomorrow will be taken at two o'clock and all babies born at the hospital are expected to be on hand and be in the picture.

**MRS. GRACE B. URBAHNS**  
Mrs. Grace B. Urbahns will be a candidate for renomination for the office of Treasurer of State at the approaching Republican Convention. She is now holding this office for a term of two years as a result of the 1926 election. The many friends of Mrs. Urbahns are assuming that the time-honored precedent of renominating a satisfactory Treasurer will again be recognized this year.  
Mrs. Urbahns is a resident of Porter

County, and it is said that she has the individual support of the Tenth Congressional District.  
Mrs. Urbahns has been strongly supported by the women, and as they cast about fifty percent of the vote in Indiana it is assumed that they will again be given representation on the ticket this year.  
Mrs. Urbahns offers her good record as establishing her right to the support of the delegates to the State Convention.

### SENIORS TRY OUT IN 'CHARM' ROLES

As a result of try-outs held Monday afternoon in Public Speaking hall a tentative cast for the senior play, "Charm", has been picked and rehearsals are continuing daily.

As further work on the comedy may bring minor changes in the cast, the names of students carrying the fifteen character parts will not be made public until a later date. However, the turn-out Monday promised some excellent talent, according to Miss Ethel Morris, who is coaching the production.

"Charm" is a comedy in three acts by John Alexander Kirkpatrick. It centers around small town family life where the daughter is a victim of the big city lark and wants to leave her home surroundings for the more charming life of bright lights and crowded streets. A book on charm and a bit of hard work on the part of the family, however, turn the trick and keeps the dreaming daughter at home.

### SMOKE MAGIC

Here's Some Smoke Magic You Can Do With a Nickel

Converting nickels into dimes or quarters by sleight-of-hand is interesting. It's phony, of course. But here's a trick that's genuine. You can do it: Lay a nickel on a cigar counter. Measure what it usually buys in a cigar. Then ask for a Havana Ribbon and see the value your nickel attains!

Here's a cigar, men, that's been famous for thirty years. Its production has risen by millions. Wise experience and the use of nothing but ripe tobacco from heart to wrapper have so marvelously bettered this cigar, there's simply nothing else in the wide world to compare with it for the price.

It's mellow, mild, fragrant. Not a trace of bitterness. Not a trace of "flatness." No "scraps" or short ends to fray or crumble in your mouth. No, sir! Long filler only—like you find in higher priced cigars. Give it a chance. Don't forget the magic words—"Havana Ribbon." Also sold in Practical Pocket Packages of five cigars.

### WEEKLY BULLETIN

Unless unforeseen obstacles arise, U. S. Highway 150, closed between Paoli and Palmyra for construction, will be completed within the next few days and opened to Derby Day traffic to Churchill Downs at Louisville, May 19.

This announcement was made today by John D. Williams, state road director, in the commission's traffic bulletin, who said that every effort is being made by construction forces to complete this project so that traffic driving from the southwest part of the state, from Illinois and connecting to Louisville via this highway account of the famous Kentucky race, will not be forced to detour. That the project will be completed in time, seemed certain, Mr. Williams said.

The commission's traffic bulletin today cited changes on many roads of the 5,000 mile state system as construction of pavement and bridge proceeds in the 1928 program. Maintenance forces are keeping detours in good shape where traffic is routed off regular state highways.

### PLAY DEADLINE GETS EXTENSION

Council Sets May 19 As Final Date For Submission of Old Gold Day Play Manuscript.

The deadline for the receiving of manuscripts for next year's Old Gold Day play has been extended from May 15 to Saturday, May 19, it was announced today by Alvin Rockwell. This grant of time has been allowed so that those competing will not have to make a last minute rush that might affect the quality of the material submitted.

The student council will award a prize of twenty-five dollars each for any of the manuscripts that the play committee may deem acceptable. Last year this prize was awarded to Walter Bullock '28, whose play "The Golden Girl", was presented last Old Gold Day and was given much favorable comment.

A number of manuscripts of real merit are anticipated this year. All competing manuscripts must be left with Alvin Rockwell at the Sigma Nu house not later than the final date of May 19.

## BROAD SYSTEM OF ATHLETICS OPEN TO ALL

DePauw Students May Participate  
In All Branches Of  
Sports.

With the institution of an improved system of intramural sports at DePauw, the entire student body may participate in some form of athletics, whether intercollegiate, interclass or between the various fraternity groups.

In interscholastic athletics, DePauw has always claimed a high position among the secondary colleges of the state. Ever strong on the gridiron, prospects for a championship team next year were considerably boosted by several outstanding platoon artists on last season's freshman squad.

In the last few years, the Tiger basketball team has turned out several all-western stars. In track DePauw has captured the Little State track and field meet for four consecutive times and bids fair to take a fifth title in the annual event tomorrow afternoon.

However major sports do not hold all of the student interest in intercollegiate sports, swimming, golf and tennis sharing a large part of the honors each year.

With a new system of student control under the direction of Coach "Tubby" Moffett, intramural athletics have made exceptional progress in the last two years on the DePauw campus. Practically all of the sports from football to horseshoes fall under the category of intramural athletics.

Athletics on such a large scale have been aided to a large extent by the splendidly equipped athletic department and plant in the university.

The gymnasium, capable of seating 6000 persons, contains a large swimming pool, complete gymnastic equipment, a regulation basketball floor, which may be divided into two playing courts for intramurals and extensive shower and locker rooms. Two playing fields, a track, a baseball diamond and a rifle range are also maintained by the athletic department.

W. L. Hughes, director of athletics heads a well rounded athletic staff at DePauw. Coach Hughes is head of football coach and freshman basketball coach. Donovan C. Moffett, handles the basketball teams and coaches freshman baseball and football. L. C. Buchheit, recognized as one of the

leading track coaches in the middle west has the Tiger cinder artists under his wing each spring.

Eugene C. Oberst, former Olympic star, will come to DePauw next year to coach the diamond squad, and act as assistant football coach. W. E. Search, director of required physical education, coaches the swimming team in the winter and the golf and tennis in the spring.

An equally broad system of coed sports prevails in the university. Intercollegiate coed rifle matches are held each year. Interclass sports in the women's athletic department include basketball, tennis, track, swimming, playground ball, soccer and handball.

## American Met Death In China

PEKING, China, May 11. (UP)—Mrs. W. T. Hobart, American Methodist missionary at Tsinan, was murdered by Chinese troops April 23, the American legation was advised today.

There had been rumors that the American had been killed but official reports of confirmation had been delayed.

## DEPAUW FACES BANNER YEAR IN ATHLETICS

Prospects For Successful Seasons  
Brightened By New  
Material.

With a fairly successful athletic year behind them, DePauw will turn to next year's campaign on the field or playing floor with much stronger prospects for winning teams.

In last fall's grid contest, the Tiger eleven split even, winning four games, and losing four to stronger opponents. The Old Gold squad defeated Rose Poly, Earlham, Franklin and Danville Normal, losing to Purdue, Butler, Georgetown and Wabash. Although seven regulars, Taylor, Anderson, Marshall, Messersmith, Smith, Shoup and Struck, will be lost by graduation this spring an outstanding list of juniors and sophomores will be on hand to take their places as a nucleus for next year's squad. Several of the more promising of last season's freshman team seem assured of berths.

The basketball season was almost a repetition of the football campaign, Coach "Tubby" Moffett's proteges winning eight and losing nine games. The high light of the season was the double defeat of Wabash in exceptionally close games.

Messersmith and Marshall, guards, and Byram, forward, will be lost to the team next year, but Coach Moffett will be able to choose plenty of material from last season's undefeated rhinoceros quintet.

Boasting the strongest secondary track team in the state for the last five years, DePauw has the best balanced team in the history of the school on the local cinder path this season. Undeclared in the dual meet season this spring, the Tigers will face the Little State meet tomorrow afternoon with almost certain chances of carrying away the honors.

The track squad will be boosted considerably next season by the addition of an unusually outstanding freshman class.

In baseball, the Tigers fall below the standard set by the other teams, although the diamondmen have been able to hold their own against several of the stronger Indiana teams this season.

Pfersick, Fowle and Hauck, veteran moundsmen, will be lost by graduation this spring, as will Captain Stratton, Anderson, and Messersmith. These men have formed the nucleus of the team for the last few years, and their places will be hard to fill next season.

We have hauled several tons of fruits and vegetables this week for your Sunday dinner. Wetzel.

## YELLOW CRAB TO MAKE FINAL BOW

"Wind-up Number" Of Publication To  
End Humorous Activities  
For Year.

Open season for published humor on the campus will close Friday when the last number of the Yellow Crab for the year will make its appearance. The issue has been appropriately named the "Wind-up Number."

The issue will be the first to be produced under the direction of James Ball, newly appointed editor for the coming year. It is already completed and awaits distribution.

The issue can truthfully be called the "Wind-up" number and it is expected to finish off the humorous publication season and several of the campus nuisances with one fell stroke. It will be the last word in humor, satire, and art.

The cover design has been executed

by John Rupe and is a lurid splash of color which will be cause enough for the asbestos curtain to be rung down on campus comic art for the rest of the year.

## History Club Closes Activities Of Year

Dr. Albert L. Kohlmeier, head of the Indiana university history department, will be the principal speaker at the annual banquet of the History and Political Science clubs, to be held tomorrow evening at Longden hall.

This joint meeting will close the activities of both clubs for the year. Formerly the History club, the organizations separated this fall in order to accommodate more students. Arnold Tilden has headed the History division, while Dorothy Peterson has headed the Political Science section.

I wish to thank the voters of Putnam County who so loyally stood by me in the Tuesday election and especially the people in Greencastle who enabled me to win the majority vote in the city.

**Neuritis Pains  
Vanished Since  
He Got Konjola**

Relieved Almost At Once, Says This Man; Also Improved His Health In General.

MR. FELIX VERSAW

Hundreds of people have benefited by using this new Konjola and reports are being received every day describing actual cases where the sufferer has been relieved. Mr. Felix Versaw, 1122 East Calvert Street, South Bend, Ind., made the following statement:

"I began having pains in my arms, shoulders, and back, and this was pronounced neuritis. The pains were so bad I could hardly move around. My entire body seemed a solid mass of aches and pains. Sometimes I could not even stand the weight of clothing. Then my stomach began bothering me and I suffered awful indigestion pains after each meal. I had attacks of bloating, gas and smothering spells and nothing ever did me the least bit of good.

"But Konjola certainly was different in my case. I began feeling better every day until I am entirely out of pain. I never suffer from neuritis and feel just as I did before that ailment came over me. My stomach is better and food never causes indigestion or gas and bloating spells. I actually feel one hundred percent better and I owe it all to Konjola."

Konjola is sold in Greencastle at the Owl drug store, and by all the best druggists throughout this section. —(Adv.)
